STUDENT GUIDE

The University of Iowa Fraternity and Sorority Life

WELCOME TO THE UNIVERSITY OF IOWA!

Dear Hawkeye Family,

We implore you to reflect on the many reasons "why Iowa". For some, it may have been the lifelong dream. For others, it may have been the feeling you had when you first stepped onto campus. Although the reasons are unique, one thing is common—the decision was made in pursuit of opportunity.

Fraternal and sororal organizations at the University of Iowa have provided students with opportunities and are full of rich and diverse history that spans as long as the university has existed. Fraternities and sororities have provided a "home away from home" for the countless members who have sought to be part of something bigger than themselves. Fraternities and sororities have been the cornerstone of many Hawkeyes' experiences in their personal and professional development. From finding a purpose in a philanthropic cause, igniting an unknown passion for leadership, providing space for students to find their authentic selves, to providing a true meaning of siblinghood and a culture of care, Fraternity and Sorority Life at Iowa has continued to deliver on the promise of *opportunity*.

The opportunities that Fraternity and Sorority Life promises to provide—lead, belong, serve, thrive, succeed—are what set membership in a fraternity or sorority apart from other experiences on campus. This experience is what you make of it, and you will get just as much, if not more, out of your experience as what you put into it. There will be times when your fellow sorority and fraternity members will challenge you, and there will be times that you will look back and realize that you created a core memory that will forever feel like an embrace. Fraternity and sorority life is a lifelong commitment, and you will continue to reap the benefits of membership for as long as you will accept them. Fraternity and sorority life is a place where you can define what being a leader, a sibling, a person, and a Hawkeye means to you.

The opportunity is yours for the taking. What legacy will you leave?

Go Hawks!

The Fraternity and Sorority Life Staff

IOWA FRATERNITY AND SORORITY LIFE:

The Opportunity

THE OPPORTUNITY TO *belong.*

We all want friendships that are true, that are real, that are more than college acquaintances. Iowa Fraternity and Sorority Life presents the opportunity to belong to something big, something important, something unforgettable, and something that will last throughout life.

THE OPPORTUNITY TO *serve.*

We all want to contribute to the greater good. We all want to matter. Iowa Fraternity and Sorority Life provides the opportunity to serve our campus, our community, and our world in ways that make a real impact.

THE OPPORTUNITY TO *lead.*

We all want to leave a legacy in our own way. We all want to feel the respect of our peers and the appreciation of our friends. Iowa Fraternity and Sorority Life offers the opportunity to lead, to influence, and to guide our organizations and our community.

THE OPPORTUNITY TO *thrive.*

We all want a college experience that is academically successful, but we also want to build collegiate memories that are rich with tradition, full of real relationships, and overflowing with a sense of personal fulfillment. Iowa Fraternity and Sorority Life challenges its members to not settle for the average college doldrums, but instead to flourish as a fully engaged student.

THE OPPORTUNITY TO *succeed.*

We all want to graduate, get a job, and have a successful career, but that's easier said than done. Iowa Fraternity and Sorority Life connects its members to the largest and most successful support network available to Hawkeye students. Our alumni are positioned all over the globe and are committed to helping us succeed as professionals and as members of a productive society.

“Each NPHC Organization was established on the tenets of brotherhood/sisterhood/siblinghood, high scholarship, leadership and service to others.”

What you need to know

NATIONAL PAN-HELLENIC COUNCIL

Iowa is proud to host two of the "Divine Nine" historically African-American fraternities and sororities on campus. Each chapter will individually announce its membership selection/intake process in the Fall semester.

NPHC sororities and fraternities present information about their individual chapters for prospective members in their own recruitment format. NPHC organizations typically do not accept a student for membership until the student has completed at least 12-24 hours of college credit with a minimum grade point average.

NPHC Orientation

September 12 and October 6, 2023

Visit fsl.uiowa.edu for more information.

NPHC hosts NPHC Orientation each semester for students interested in joining the council. This is a great opportunity for interested students to learn more about what our NPHC chapters offer.

STEPPING AND STROLLING

Stepping and Strolling is an expressive dance form that was created by African American fraternities in the 1970s. NPHC members move together in a line expressing pride for their organization. In this line, members may show this pride using their organization's call, sign or historical information, ritual/custom dances, etc. All of this is done through movements that are unique to each organization.

DIVINE NINE PLOTS

The Divine Nine plots at the University of Iowa are near the Danforth Chapel in Hubbard Park, a place of significance for some of the chapters of NPHC. The plots were dedicated in the Fall of 2016 to celebrate the rich history of Black Greek lettered organizations at UI. Historically, plots are spaces on campus where chapter members congregate, celebrate, and give fellowship to one another.

THE DIVINE NINE

DIVINE NINE ROOM

335, IMU

The National Pan-Hellenic Council (NPHC)/Divine Nine is a collaborative organization of nine historically African American, international, black Greek-lettered fraternities and sororities. This room honors and celebrates the significant contributions - from 1914 to the present - of NPHC chapters and their members to the University of Iowa and the Iowa Memorial Union.

MULTICULTURAL GREEK COUNCIL

MGC ROOM

337, IMU

The Multicultural Greek Council (MGC) serves all MGC organizations as a support group, governing body in their events and communities to promote multicultural awareness, and to improve relations among all campus fraternities and sororities. The MGC defines "cultural" to include race, ethnicity, religion, and sexual orientation.

The University of Iowa is proud to be home to the founding of Sigma Lambda Beta Fraternity, Inc. in 1986 and to Sigma Lambda Gamma Sorority, Inc. in 1990. The Alpha chapters of both organizations continue to be thriving organizations within the University of Iowa fraternity and sorority community.

FRATERNITY AND SORORITY

involvement opportunities

Hawkeye Service Break is an annual service trip each spring semester. A group of fraternity and sorority members travels to Indianapolis, Indiana to engage in a service immersion experience. This trip coincides with a three credit hour course focused on service-learning and social justice. While in Indianapolis, the students have the opportunity to engage with community members first hand and visit inter/national fraternity/sorority headquarters.

Order of Omega is a national Fraternity and Sorority Honor Society for the top 3% of fraternity and sorority members based on the tenets of scholarship, leadership, service, and character. Order of Omega's purposes are to recognize students who have attained a high standard of leadership within the community, to bring together those members who will help shape the community and the university, and to join faculty, alumni, and students with the intent of helping and understanding one another.

FRATERNITY AND SORORITY

involvement opportunities

FSL Leadership Class meets each spring semester. Our Fraternity and Sorority Life Staff and campus partners teach a three-credit leadership class for fraternity and sorority students. Discussion topics and assignments are geared specifically toward leaders with the fraternity and sorority community.

The University of Iowa Dance Marathon has been providing emotional and financial support for children with cancer and their families since 1994. To date, Dance Marathon has raised over 30 million dollars. The fraternity and sorority community plays a vital role in the success of Dance Marathon each year. In fact, members of the fraternity and sorority community were responsible for starting the organization.

EDUCATION

Orientation

This year, all those looking to join the FSL community must attend New Member Orientation to learn about the opportunities and responsibilities of membership. Each council has their set orientation dates, so check out fsl.uiowa.edu to find out when your orientation will be this semester. Attendance is a requirement of those looking to join any chapter.

New Member Academy

The New Member Academy is a 6 part, module based, educational opportunity introducing the five topic areas that a student can expect to receive consistent education on throughout their time as a member. These topic areas include academic achievement, health and safety, diversity, equity and inclusion, involvement and leadership opportunities, and bystander intervention. This academy is required for all new members and is meant to serve as an educational foundation for their following years in the community.

ANTI-HAZING POLICY

All fraternities and sororities at the University of Iowa are non-hazing organizations. The University of Iowa also has a zero tolerance policy for hazing and all student organizations will be held accountable accordingly. More information about the university's position on hazing can be found here:

dos.uiowa.edu/policies/discipline-of-registered-student-organizations

FINANCIAL RESPONSIBILITIES

The fraternity and sorority experience is an investment in your student’s future. Fraternal organizations’ fees go to programs and services that will positively impact your student. To assist members, chapters may offer various scholarships and grants. We encourage your students to ask questions related to finances during the recruitment process. We also encourage you to be “hands-on” in this decision if you have any questions about the financial obligations. Costs will vary if the organization does or does not have a house/living structure.

For 2023-2024, the average cost of living in a university-owned residence hall per year for a double room and unlimited meals is \$12,176.00.

The high, low, and average expenses listed by council for the academic year can be found below:

		Low	Average	High	New Member Average
NPHC		\$75.00	\$212.50	\$350.00	\$2,062.00
