

IOWA

FRATERNITY AND SORORITY LIFE
STUDENT GUIDE

WELCOME TO THE UNIVERSITY OF IOWA!

Dear Hawkeye Family,

We implore you to reflect on the many reasons "why Iowa." For some, it may have been the lifelong dream. For others, it may have been the feeling you had when you first stepped onto campus. Although the reasons are unique, one thing is common—the decision was made in pursuit of opportunity.

Fraternal and sororal organizations at the University of Iowa have provided students with opportunities and are full of rich and diverse history that spans as long as the university has existed. Fraternities and sororities have provided a "home away from home" for the countless members who have sought to be part of something bigger than themselves. Fraternities and sororities have been the cornerstone of many Hawkeyes' experiences in their personal and professional development. From finding a purpose in a philanthropic cause, igniting an unknown passion for leadership, providing space for students to find their authentic selves, to providing a true meaning of siblinghood and a culture of care, Fraternity and Sorority Life at Iowa has continued to deliver on the promise of *opportunity*.

The opportunities that Fraternity and Sorority Life promises to provide—lead, belong, serve, thrive, succeed—are what sets membership in a fraternity or sorority apart from other experiences on campus. This experience is what you make of it, and you will get just as much, if not more, out of your experience as what you put into it. There will be times when your fellow sorority and fraternity members will challenge you. There will be times you look back and realize you created a core memory that will forever feel like an embrace. Fraternity and Sorority Life is a lifelong commitment and you will continue to reap the benefits of membership as long as you will accept them. Fraternity and Sorority Life is a place where you can define what being a leader, a sibling, a person, and a Hawkeye means to you.

The opportunity is yours for the taking. What legacy will you leave?

Go Hawks!
The Fraternity and Sorority Life Staff

FRATERNITY AND SORORITY LIFE AT IOWA

To further the bond within the Fraternity and Sorority Community by developing a better understanding of each other while serving others and achieving academic excellence. The opportunity to: **Belong, Serve, Lead, Thrive, and Succeed.**

COMMUNITY HISTORY

The story of the University of Iowa Fraternity and Sorority Community started in 1866 with the establishment of Beta Theta Pi as the first chapter on campus. From there our community saw rapid growth, welcoming its first sorority in 1867, IC Sororisis, which eventually adopted the name Pi Beta Phi in 1888. In 1914, the third chapter nationwide of Kappa Alpha Psi Fraternity, Inc. was founded, welcoming the Divine Nine onto campus. One of the most interesting things about the history of the University of Iowa is that the institution is home to two founding chapters, Sigma Lambda Beta International Fraternity, Inc., and Sigma Lambda Gamma National Sorority, Inc. Both were founded at Danforth Chapel. Our chapters are all unique in their own way and are rich in tradition, and are deeply intertwined with this history of the university itself.

DEFINING *Opportunity*

Fraternities and sororities are the opportunity at Iowa to find your place to belong, to serve, to lead, to thrive, and to succeed as a student and throughout life.

→ [FSL.UIOWA.EDU/COMMUNITY](https://fsl.uiowa.edu/community)

THE OPPORTUNITY TO *belong.*

We all want friendships that are true, that are real, that are more than passing college acquaintances. Iowa Fraternity and Sorority Life presents the opportunity to belong to something big, something important, and something unforgettable. Most of all, it is the opportunity to build friendships that will last a lifetime.

THE OPPORTUNITY TO *lead.*

We all want to leave a legacy in our own way. We all want to feel the respect of our peers and the appreciation of our friends. Iowa Fraternity and Sorority Life offers the opportunity to lead, to influence, and to guide our organizations and our community.

THE OPPORTUNITY TO *thrive.*

We all want a college experience that is academically successful. We also want to build collegiate memories that are rich with tradition, full of real relationships, and overflowing with a sense of personal fulfillment. Iowa Fraternity and Sorority Life challenges its members to flourish as fully engaged students.

THE OPPORTUNITY TO *serve.*

We all want to contribute to the greater good and make a difference. Iowa Fraternity and Sorority Life provides the opportunity to serve our campus, our community, and the world in ways that make a real impact.

THE OPPORTUNITY TO *succeed.*

We all want to graduate, get a job, and have a successful career, but that's easier said than done. Iowa Fraternity and Sorority Life connects its members to the largest and most successful support network available to Hawkeye students. Our alumni are positioned all over the globe and are committed to helping us succeed as professionals and as members of a productive society.

Each NPHC Organization was established on the tenets of brotherhood/sisterhood/siblinghood, high scholarship, leadership and service to others.

What you need to know

NATIONAL PAN-HELLENIC COUNCIL

Iowa is proud to host four of the "Divine Nine" historically African-American fraternities and sororities on campus. Each chapter will individually announce its membership selection/intake process each semester.

NPHC sororities and fraternities present information about their individual chapters for prospective members in their own recruitment format. NPHC organizations typically do not accept a student for membership until the student has completed at least 12-24 hours of college credit with a minimum grade point average.

NPHC Orientation

Fall: September 11, 2024 **Spring:** February 11, 2025

Visit fsl.uiowa.edu for more information.

NPHC hosts Orientation each semester for students interested in joining the council. This is a great opportunity for interested students to learn more about what our NPHC chapters offer.

MULTICULTURAL GREEK COUNCIL

The Multicultural Greek Council is the newest governing body at Iowa and is home to our multicultural fraternities and sororities. Currently there are five chapters on campus, representing Latinx, Asian, and LGBTQ+ communities, yet are inclusive of people of all cultural identities. Each chapter hosts their own recruitment events, usually towards the beginning of each semester. The best way to get information about a chapter's recruitment is to contact them directly or follow them on social media.

DIVINE NINE PLOTS

The Divine Nine plots at the University of Iowa are near Danforth Chapel in Hubbard Park, a place of significance for some of the NPHC chapters. The plots were dedicated in the Fall of 2016 to celebrate the rich history of Black Greek-lettered organizations at the UI. Historically, plots are spaces on campus where chapter members congregate, celebrate, and give fellowship to one another.

DIVINE NINE ROOM

335, IMU

The National Pan-Hellenic Council (NPHC) or "Divine Nine," is the governing body for the nine historically African American, international, black Greek-lettered fraternities and sororities. This room honors and celebrates the significant contributions (from 1914 to the present) of NPHC chapters and their members to the University of Iowa and Iowa Memorial Union.

GET TO KNOW OUR COMMUNITY

STEPPING AND STROLLING

Stepping and Strolling is an expressive dance form that was created by African American fraternities in the 1970s. NPHC and MGC members move together in a line as a means of expressing unity and pride for their organization. In this line, members may show this pride using their organization's call, sign, or historical information, ritual/custom dances, etc. All of this is done through movements that are unique to each organization.

MGC ROOM

337, IMU

The Multicultural Greek Council (MGC) serves as the governing body to all the multicultural fraternities and sororities on campus. MGC defines "cultural" to include race, ethnicity, religion, and sexual orientation.

The University of Iowa is also proud to be home to the founding of Sigma Lambda Beta Fraternity, Inc. in 1986 and Sigma Lambda Gamma Sorority, Inc. in 1990. Members of the Alpha chapters of both organizations came together and established MGC in 2010.

FRATERNITY AND SORORITY *involvement opportunities*

Order of Omega is a national fraternity and sorority honor society for the top three percent of fraternity and sorority members. Membership is based on the tenets of scholarship, leadership, service, and character. Order of Omega's purposes are to recognize students who have attained a high standard of leadership within the FSL community, to bring together those members who will help shape the FSL community and the university, and to connect faculty, alumni, and students with the intent of helping and understanding one another.

FSL Leadership Class meets each spring semester. Our Fraternity and Sorority Life Staff and campus partners teach a three-credit leadership class for fraternity and sorority students. Discussion topics and assignments are geared specifically toward leaders within the fraternity and sorority community at Iowa.

The University of Iowa Dance Marathon has been providing emotional and financial support for children with cancer and their families since 1994. To date, Dance Marathon has raised over 30 million dollars. The fraternity and sorority community plays a vital role in the success of Dance Marathon each year. In fact, members of the fraternity and sorority community at Iowa were responsible for starting the organization.

FRATERNITY AND SORORITY LIFE EDUCATION

Orientation

All those looking to join the FSL community must attend New Member Orientation to learn about the opportunities and responsibilities of membership. Each council has their set orientation dates, so check out fsl.uiowa.edu to find out when your orientation will be this semester. Attendance is a requirement of those looking to join any chapter.

New Member Academy

The New Member Academy is a six-part module based educational opportunity introducing the five topic areas that a student can expect to receive consistent education on throughout their time as a member. These topic areas include academic achievement, health and safety, diversity, equity and inclusion, involvement and leadership opportunities, and bystander intervention. This academy is required for all new members and is meant to serve as an educational foundation for their following years in the community.

Violence Prevention Education

Violence Prevention Education is a tier-based educational system covering topics such as enthusiastic consent, bystander intervention, and healthy relationships. Every member of an FSL organization is required to attend one facilitated, interactive workshop each year of their membership, and the workshops are designed to scale and build upon previous education. During their first year of membership, each student must complete Tier 1 and during their second year as a member they must complete Tier 2. During years three and four of membership, students must complete Tiers 3 and 4, where they have the choice of participating in three different workshops. These tiers are focused on increasing leadership in these areas.

ANTI-HAZING POLICY

All fraternities and sororities at the University of Iowa are non-hazing organizations. The University of Iowa also has a zero tolerance policy for hazing and all student organizations will be held accountable accordingly. More information about the university's position on hazing can be found here:

FINANCIAL RESPONSIBILITIES

The fraternity and sorority experience is an investment in your future. Fraternal organizations' fees go to programs and services that will positively impact you throughout their time as a member. To assist members, chapters may offer various scholarships, grants, and payment plans. We encourage you to ask questions related to finances during the recruitment processes. We also encourage families to be "hands-on" in this decision if you have any questions about the financial obligations. Costs will vary if the organization does or does not have a chapter structure.

For 2024-2025, the average cost of living in a university-owned residence hall per academic year for a double room and unlimited meals is \$12,616.00.

High, low, and average expenses listed by council for the academic year:

		Low	Average	High
NPHC 		\$100	\$700	\$2,100
	New Member Average: \$1,700			
MGC 		\$165	\$450	\$900
	New Member Average: \$300			
PHC  		\$7,500	\$9,850	\$12,100
		\$1,000	\$2,400	\$3,500
New Member Average: \$2,300				
IFC  		\$3,500	\$8,800	\$13,600
		\$600	\$1,600	\$2,600
New Member Average: \$1,900				

I WANT TO JOIN A FRATERNITY OR SORORITY, *now what?*

If you are interested in joining our community here is what you need to do next:

- 1. Attend an orientation session for the council you are interested in joining.** Not sure which one? We have three councils with sororities and three councils with fraternities. Attendance at orientation is mandatory for anyone seeking to join a fraternity or sorority.
- 2. Learn about and participate in one of our councils intake or recruitment processes.** (this information can be found on the council's intake or recruitment page on the FSL website). Each of our four council's joining processes looks a bit different, so check out those you are interested in.
- 3. Sign the Online Gold Card.** This includes information about the obligations of membership so make sure you read it closely! Once you have received and accepted an invitation to membership, you will receive an email to your uiowa email address containing information about completing the Online Gold Card.
- 4. Complete the New Member Academy.** This online course, housed on ICON is a broad overview of what it means to be a member of a fraternity or sorority at Iowa.

THINGS TO KEEP IN MIND

Do Your Research!

- Check out the community scorecards. The scorecards give data and insight about each council and each chapter. The information on the scorecards is an important aspect to consider when making your decision.
- Research chapters. Many chapters have their own local and national websites. Check out what the chapter stands for, what their values are, and what causes they support.
- Your research should also include obligations as a member. What is the cost? How many hours should I plan to commit?

Keep an Open Mind

- While it's important to do your research, it's also important to keep an open mind. Each chapter has its own personality and getting to know the members is the best way to learn that personality.
- Take the time to get to know more than just one or a few chapters. There is a chapter for everyone, and it is vital that you do your due diligence to find the best chapter for you!
