THE FRATERNITY AND SORORITY COMMUNITY

Membership in a fraternity or sorority is a lifetime commitment to the values of leadership, scholarship, friendship, and service. At Iowa, we have four professional staff dedicated to creating an experience that exudes those values and allows individual students and chapters to achieve their goals through intentional coaching, education, and programming.

We know being part of a student organization can help your student get the most out of their college experience for those who choose to participate. The FSL community offers opportunities for academic support, leadership experiences, positive social interactions, and fostering respectful and welcoming environments.

It's important for families to make informed decisions about the chapters.
