 - *My expectations of you for these changes:*
 - *You must present these to your chapter – who you present it to varies by chapter*
 - *Ideally you present it to your whole chapter but some chapters only present them to the executive board – that is ok too but you MUST present these to your executive board at the minimum*
 - *I will be making sure that you have done this so*
 - *Please do it*
 - *If you do not have chapter or exec meeting before next week, try to brainstorm other ways to communicate them – you can ask me for ideas if you are struggling*
 - *Next week, we will have a **discussion** about these proposed changes – it will be you ladies discussing it amongst yourselves with minimal PHC input unless there are specific questions for us , so please **come prepared with questions and discussion points***
 - *The week of the 24th, we will be voting on it – we will vote on the entirety of the changes and if that doesn't pass, we will go through every proposed change and voting on them individually, so you need to know where your chapter stands on **every** change.*
