Frank Bruni Discussion! PLEASE SHARE WITH YOUR CHAPTER!

. The University of Iowa Lecture Committee is bringing in Frank Bruni. He has written many op-ed pieces about Greek Life and he is hosting a lecture on Tuesday, October 9<sup>th</sup>. I encourage you to have members attend the lecture. It will be at the Englert Theater and focused more specifically on the current college campus climate. **BUT!** The more exciting part is that he wants to host a discussion with Fraternity and Sorority Life leaders.

This is from the lecture committee: Mr. Bruni will begin by giving a short introduction about himself and his work with Greek Life across the nation. The remainder of the time will be spent in an informal Q&A discussion format. He has written his [strong opinions on the Greek system](#) and wonders if they are a [pox on campus life](#). Readers of his New York Times column have had [mixed opinions](#) on his op-ed articles. We encourage you and others to read these linked articles to help prepare for the discussion. We hope for this to be a productive discussion to talk about Greek Life specifically at Iowa!

I really think it is imperative to have representation here at this discussion. You and your chapter members have the ability to really lead a productive discussion about why Fraternity and Sorority life is beneficial for college students and beyond. **PLEASE, I would love to have either you and exec members or future leaders of your organization or any member who feels passionate about this subject come to the discussion.** He is hosting it **SPECIFICALLY** for Greek Students so it would look really bad and might fuel is argument if there is very little turn out.

They ask that everyone interested **please RSVP** using [this link](#) by **Thursday, October 4th at 5:00 PM**. These RSVPs are critical!

Your president was sent this so also make sure they send it out TODAY
