- **President:** Elah Shulruff (qc-phc-president@uiowa.edu)

Office Hours: Monday's 1:00pm-3:00pm

- President roundtable tomorrow (Wednesday) at 9 pm
- I had this on the minutes from last week but just to go over them again:
- Activity for the end (if time) — with your committee, come up with 10 positive things. This can vary from great things going on in your life, people you are grateful to have, academics, a delicious meal you had, something nice someone did for you randomly, or a furry friend. There is a document in the committee folder in SharePoint for you to fill in your responses.
- Chapter spotlight – next semester we are going to start having 2 delegates each week present on their chapter and 1-2 Panhellenic exec member present on either an IFC, MGC, or NPHC chapter. You will be able to sign up when you want to present, and I will provide you with possible ideas on what to present on. This will help to better educate other chapters about the FSL community and then you can bring this information back to you chapter!
- “Girl you got this” – 1 credit hour course for students who identify as women. It is about recognizing risk for sexual assault and asserting your right to only have the sex you want to have. This class would begin next semester
