 - Please get feedback from your chapters and come with questions
 - Most likely will happen at the end of the year with a donation bin
- FSL Newsletter
 - This will be a letter including all the events going on with the FSL community.
 - Include where it is and as much detail as possible
 - All the chapter presidents will be sent a link and they will fill out what council they are in, chapter affiliation, what event they have going on and any other details about the event.
 - They will be getting the link after Spring Break and they should be consulting to their executive board about how to fill it out.
- (With your committees) --> think about how you want to utilize your committee meetings
 - Create an action plan for completing your goals
- Sister Sorority
- Refresher: you will be paired with another PHC chapter on campus and host mixers together, sisterhood type events, educational sessions, and any other activities to better get to know one another. The purpose is to get to know more members within the PHC community and if all goes well, in the future we can do pairings with the other three councils and host similar events with them.
 - Pairings:
 - DG/AXiD
 - DZ/DDD
 - ADPi/Kappa
 - GPhi/ChiO
 - Zeta/AEPi
 - PiPhi/Theta
 - APhi/AChiO
- (Activity for you, your **committees**, and your **chapter** to think about whether:
 - You want to start doing activities with your sister sorority now and see how it goes?
 - Or, we can we wait to start it next semester?
 - If we do it now, we can see how it goes, then next semester and we can switch up the pairings
