- "Plastic Paradise": Film Screening

March 1, 2018, 6:30-8:20PM, 100 Phillips Hall

We will be having a film screening of the film "Plastic Paradise." We are using this screening to raise awareness for sustainable living and the RecycleMania competition, which is currently underway. RecycleMania is an 8 week competition between universities across the nation focused on recycling more and land-filling less. Last year, we came in 2nd out of the Big Ten schools, and through student engagement, we are hoping to come in first. The film itself discusses marine ecosystems and the effect that plastic is having on ocean life, while Iowa may be removed from the marine ecosystem, we are still an important part of it.

- Liberated Documentary Screening and Q&A

March 7, 2018, 7:00 PM – 10:00 PM, W10 PBB

LIBERATED: THE NEW SEXUAL REVOLUTION is a documentary about coming of age in today's young adult hookup culture. Following the journey of college students on Spring Break, the film provides shocking insight into attitudes and behaviors regarding sex, the normalization of sexual violation, and the struggle against conceptions of gender and sexuality shaped by the media. Immediately after the film screening will be a filmmaker panel discussion.

- **Kim Novak: Do the RIGHT thing**

March 7, 2018, 5:30-7:00 (fraternities) 7:30-9 pm (sororities) in the IMU 2nd Floor Ballroom

Seating will be allocated for 30% of each fraternity's members/officers and 25% of each sorority's members/officers.

Students will be expected to use their UI ID to enter the program and must have an activated OrgSync account."If someone would have just said something..." is often the afterthought of leadership when an incident redefines the future of chapter.

This will be a frank a discussion about the importance of doing the right thing whether it is calling 911, reporting a member to your organization's judicial board, removing a friend from an event, or removing a member from the organization. Doing the right thing necessitates engaging the general membership of your organization in the reduction of high-risk behaviors and creating an environment where members, not just leadership, will take action or speak up.
