- Reminder of how the process works

- Week 1 (November 13th): Presentation and overview of changes
- Week 2 (November 20th): discussion amongst delegates and questions/clarifications - you need to have discussed this with your chapters and come with feedback!! Presidents are welcomed to be present for this if they would like
- Week 3 (December 4th): Voting – we will vote first on all changes proposed, if that does not pass we will vote one by one so you must know how your chapter will vote on each individual bylaw

FUN FACT: your chapter is allowed to bring forward bylaw changes and follow this process too! The bylaws are a living documents and we want to make sure everybody has input on it if they are unhappy with how we are governed
