 - **Academic Achievement: Fall 2019 Graduate Exam Scholarship**
- This scholarship is open to any member of the Panhellenic community who plans to pursue graduate school. Previous applications will not be considered, but you may reapply if you have applied in the past. The committee selects one winner per semester. The scholarship will close on November 22nd, 2019 at 11:45 PM. For more details about the scholarship and its application, see below.
 1. Recipients need to pay for the exam themselves, and will be reimbursed through the scholarship, because of the billing process for student organizations. For Fall 2019, exams need to be paid for and completed by January 20th, 2020 to be considered.
 2. Recipients need to be attending the University of Iowa in the Spring 2020 semester as either an undergraduate or graduate student.
 3. Since the amount that these tests cost is a range from \$200-\$300, the maximum amount that the individual scholarships will cover is \$305.
 4. The scholarships will only cover the amount that the test costs, no additional money will be given. So, for example, if the recipient were taking the GRE, which costs \$205, they would only be reimbursed for \$205.
 5. This scholarship will be counted as "income" (tax purposes, just so applicants are aware).
 6. As this scholarship is coming from the university, there is a chance it may affect your financial aid. If you are concerned, please contact the financial aid office.
 7. **Please try to refrain from using your chapter affiliation in essay portions of the application in order for the selection committee to remain unbiased.**
- **Faculty Appreciation opened until Nov 28th!**
- Nominate any faculty that you have enjoyed, has helped you be successful or who you think deserve to be recognized!

Each faculty will receive an apple with a personalized thank you note!

No limit on how many nominations are per person- each nomination will be entered a drawing and 1 will be selected for a \$10 Java House Gift Card!
