During the last 20-30 minutes of legislative everyone broke off into groups of 3 with a committee leader. Everyone was given activities to do with their committee. This semester we are going to change up the committees (still going to have the same committee leaders, but different groups). FILL OUT THE FORM BELOW BEFORE TUESDAY SEPTEMBER 10TH — Otherwise I will assign you to a committee

 - "Positive Panhellenic contact should occur throughout the summer prior to fall primary recruitment. When talking to potential new members, chapter women should maintain a "Find Your Letters" message. It means encouraging members in your home communities to search out and participate in recruitment. To help increase the number of new members, it is necessary that fraternity women promote general fraternity membership. Positive Panhellenic contact does not include having summer events in a chapter house or in an individual fraternity member's home representing one NPC organization. "
