- Possible In-house educational: Michael Kaplan

My name is Michael Kaplan and for the last 11 years or so, I have been speaking (as a VOLUNTEER) to student organizations throughout Iowa. In fact, I am sure some of you have seen me speak over the last year or two. **My presentations are tailored to the needs of the specific group**, but can include such topics as Professional Communication in the Workplace, Preparing for the Career Fair, How to Research a Company and Interviewer Prior to an Interview, What To Look For In An Internship, The Best Use of LinkedIn, and more. There is a lot more I could tell you, but if you have a possible interest in having me talk to your organization, please contact me. I can send you additional information, references, etc...Most important is this: **I do this to help students**. I am not a recruiter, and do not have any secret agenda. The presentations are free. If you are interested, please contact me as soon as you are able, as my schedule is getting full. michaelkaplan5935@gmail.com
